

NG GLOBAL ENERGY SOLUTIONS PTY LTD LEARNERSHIP 2024

NG GLOBAL is implementing a Learnership programme targeting graduate engineering students (B/tech/BSc).

NG Global Energy Solutions is a diversified company specialising in technical consulting and turnkey supply of coal and other commodities including manganese and iron ore to clients locally and abroad.

Visit the NG Global website to find out more about the company www.ngglobal.co.za

Learnership Admission Requirements:

- Certified Proof Of Qualification. Note only Btech/BSc in Industrial, chemical, mechanical and mining engineering will be considered
- Certified Copy of university/tertiary institution results
- Certified Identity Document/ Passport Copy
- Curriculum Vitae, good excel skills, report writing and communication skills are mandatory
- Preference may be given to those learners living in Pretoria

Important Note:

- Fixed-term on-the-job training and employment period starting on 01 March 2024
- Gross Monthly Stipend of R12 000 will be paid to each learner for their support with building a quality management system and completing adhoc technical tasks as part of the business day-to-day activities
- Permanent employment may be considered depending on performance during the training period
- Learners will be given a company laptop for the duration of their training
- Learners must be committed to complete the full 12 month programme, failing which all training provided by the company will need to be reimbursed by the learner

Applications can be sent as follows:

Email the Requirements to: reception@ngglobal.co.za with subject **NG Global learnership 2024**

Closing date is Friday 16th February 2024 at 16:00pm
