

AN ILLOVO SUGAR AFRICA COMPANY

INTERNAL / EXTERNAL VACANCY

ILLOVO SUGAR (SOUTH AFRICA) (PTY) LTD

POSITION: MANAGER-IN-TRAINING (ELECTRICAL ENGINEERING)

Applications are invited from suitably qualified persons for the position of Manager-in Training (MIT) in Illovo Sugar South Africa (Pty) Ltd in two engineering disciplines.

Who should apply?

Graduates from previously disadvantaged groups who have completed a Bachelor of Science (BSc) or a Bachelor of Technology (BTech) in following fields of study:

- **Electrical Engineering (Light current/Instrumentation) x 2**
- **Electrical Engineering (Heavy Current) x 1**

Minimum entrance criteria:

- Matric senior certificate with Mathematics, Physical Science and English
- A relevant Engineering BSc or BTech degree
- South African citizenship

Important information:

- The programme is well-structured and offers graduates the opportunity to gain experience through the practical application of their studies.
- This programme is offered over a maximum period of three years.
- On successful completion of the programme and subject to satisfactory performance, Trainees may be appointed to a First Line Manager or Middle Manager position.
- Recruitment and selection will be conducted in line with the employment equity targets of Illovo SA.

How to apply:

E-mail your application letter, detailed CV, certified copies of qualifications and a certified copy of a South African identity document to careers@illovo.co.za.

The subject line of the e-mail should be:

MIT 2024 Application: Electrical Engineering (Light current) or (Heavy Current).

Please specify the discipline that you are applying for.

CLOSING DATE: 29 MARCH 2024
